Case No. [14-cv-01725-BLF](#)

**ORDER GRANTING MOTION FOR  
LEAVE TO FILE MOTION FOR  
RECONSIDERATION ON THE  
FINDINGS OF INVALIDITY OF THE  
'814 PATENT; SETTING OCTOBER 24,  
2018 DEADLINE FOR DEFENDANT  
TO RESPOND**

[Re: ECF 281]

12  
13  
14  
15 Fitness Anywhere LLC filed a motion for leave to file a motion for reconsideration on the  
16 findings of invalidity of its '814 patent (U.S. Patent No. 7,806,814) by this Court on August 23,  
17 2016 (ECF 149). *See* ECF 281. Pursuant to Civ. L.R. 7-9, the Court finds that leave to file a  
18 motion for reconsideration is justified, and thus GRANTS the motion. At the October 5, 2018  
19 hearing on this action, Fitness Anywhere represented that its motion for leave contains the  
20 arguments it would make in its motion for reconsideration. As such, the Court deems Fitness  
21 Anywhere's motion for leave to be its motion for reconsideration. Defendant Woss Enterprises  
22 LLC shall file any opposition to Fitness Anywhere's motion for reconsideration **on or before**  
23 **October 24, 2018**. Defendant is advised that it may not appear in this action or file any papers  
24 except through counsel of record.

25 **IT IS SO ORDERED.**

26 Dated: October 10, 2018
